MEDIA ADVISORY

**SMART to cancel train service due to malfunction of local traffic signal systems
resulting from Public Safety Power Shutdown**

Sonoma-Marín Area Rail Transit (SMART) has canceled all train service for today, Sunday, October 27, due to the malfunction of all local traffic signal systems resulting from the Public Safety Power Shutdown.

Local traffic signal systems that control vehicle and pedestrian movements at all railroad crossings are not functioning as a result of the Public Safety Power Shutdown. To protect the public safety, SMART has canceled train service for Sunday, October 27.

For updates, visit SMART's website at SonomaMarinTrain.org, or call 707-794-3077.
